OLD AND NEW WAY TO TREAT CATARRH

Breathing a Germ Killing Air Endorsed by Actual Results.

The discovery of Hyomei has wrought a wonderful change in the treatment of catarrh. Prior to three years ago the medicines ordinarily employed in the cure of this disease were drugs, sprays, lotions, etc. In some instances they benefited, but the improvement was not lasting. With Hyomei you take into the air passages of your throat and head a balsamic air that goes into the minute cells, and should effectively kill all germs and microbes of catarrh. Its purpose is to enter the blood with the oxygen, killing the germs in the blood and restore health to the whole system. Many astonishing testimonials have been received from those who have been helped by Hyomei.

A complete outfit is inexpensive and includes an inhaler, dropper, and sufficient Hyomei for several weeks' treatment. Perhaps the strongest evidence that can be given to doubters, is the fact that F. D. Pierce has so much faith in Hyomei that he sells every package under a positive guarantee to refund the money if it does not relieve.

Sold and guaranteed in Orleans by F. J. Kinney.

How Vermont Hens Won the Championship of America

All loyal Vermonters have noted with considerable pride the high place which Vermont poultry breeders have always taken when their fowls compete with those of other States. C. A. Crumpton, Jr. of St. Albans, Vt., one of the prize winners in the St. Paul International Laying Contest last year in a letter to C. S. Page of Hyde Park gives a suggestion as to how he did it. He writes: "I fed Page's Green Bone in moderate quantities to breeding stock, layers and young chicks and consider it an important item in developing and improving my heavy laying strain. My second prize and championship of America (all breeds, 10 per cent) at St. Paul's International Laying Contest last year."

Poultrymen desiring to emulate the example of Mr. Crumpton will do well to send \$4.00 to Page's and receive a 200-lb. barrel of the Green Bone Bone Meal. On receipt of check, cash, express or postal money order the goods will be sent freight paid to any station.

MRS. F. M. SEARS

The announcement was made last week of the death of one of our most esteemed residents, Mrs. Ina E. Sears, wife of Judge F. M. Sears, which occurred at her home Jan. 9, after one week's illness from pneumonia. In spite of all that medical skill and loving care could do she passed to her well-earned reward. Mrs. Sears was born in Irasburg Nov. 28, 1867, and was the eldest daughter of Ira S. and Estella Drew. Her education was obtained in the schools of this town and Lyndonville and she taught school for several years. She was one who improved her opportunities for the things that made for true womanhood.

In 1892 she married F. M. Sears to whom she was a faithful wife. To them eight children were born, of whom six survive her. She united with the M. E. church at the age of twenty years and has ever been a faithful and efficient member and worker, and in her passing the church sustains a great loss. For many years she sang in the choir and in whatever line of church work she was engaged she displayed that rare gift of leadership which always meant success, and perhaps nowhere in the church life did she render more excellent service than as organist, in which position she served for years, and was still serving in the absence of her

daughter, Verna. She leaves to mourn her loss besides a large circle of friends her father and mother and three sisters, Mrs. Frank Willey of this place, Mrs. Fred Lathrop of Lebanon, N. H., and Mrs. Frank Harris of St. Johnsbury, besides her husband and six children, Verna and Doris, who are attending Johnson Normal school, Marjorie, who is attending St. Johnsbury academy, Harland, who is attending school at Barton, and Marion, aged eleven years and Pauline, aged seven years who still need so much a mother's care. Her life has been one of sacrifice and love for her dear ones, being a true embodiment of the word "mother" in all its meaning. The funeral was held in the M. E. church Tuesday afternoon and was largely attended, many coming from Barton, Orleans and Albany, including the county court officers from Newport, and one of the teachers and three classmates from the Johnson normal school. The O. E. S., of which she was a member and officer, attended in a body. Rev. G. L. Wells officiated and paid just tribute to her beautiful Christian life. The large quantity of beautiful flowers from relatives and friends, the church and various orders, were mute tokens of love and esteem.

RESOLUTIONS ON THE DEATH OF INA E. SEARS

Whereas, the Great and Supreme Ruler of the Universe has in His infinite wisdom, removed from among us one of our worthy and esteemed sisters, Ina E. Sears, and; whereas, the long and intimate relationship held with her in the faithful discharge of her duties in the order, makes it eminently befitting that we record an appreciation of her, therefore,

Resolved, That the wisdom and ability which she has exercised in the aid of our order by service and counsel, will be felt in grateful remembrance.

Resolved, That the sudden removal of such a life from among our midst leaves a vacancy and a shadow that will be deeply realized by all the members and friends of this order and will prove a serious loss to the community and the public.

Resolved, That with deep sympathy with the bereaved relatives of the deceased, we express our hope that even so great a loss to us all may be overruled for good by Him who doeth all things well.

Resolved, That a copy of these resolutions be spread upon the records of this order, a copy printed in the local paper and a copy forwarded to the bereaved family.
